### **Infiniti of Omaha Now Offers Infiniti Certified Pre-Owned Program to Customers**

**August 15, 2008** - Infiniti of Omaha now offers Infiniti's Certified Pre-Owned. This program provides customers with additional peace of mind on Infiniti models. Every Certified Pre-Owned buyer is invited to return to Infiniti of Omaha for service with one complimentary oil filter change, valid anytime within the first year of ownership.

To initially qualify for certification each Infiniti model must be less than four years old with less than 60,000 miles. To become certified a vehicle must pass a rigorous 142-point inspection. Significant components within the vehicle are scrutinized, including the drive train, interior, exterior, under the hood and underneath the chassis. Upon successful completion, the vehicle receives a Certificate of Inspection authenticating its qualification. According to Sammy Reagan, owner of Infiniti of Omaha, only after meeting the standards of this inspection can Infiniti's be admitted into the Infiniti Certified Pre-Owned program.

## **Additional Benefits**

Certified Pre-Owned Infiniti models offer the following additional benefits:

- 72-month or 100,000 mile warranty from original date of service
